

Pontiac Montana, MY2005
Twin to Chevrolet Venture,
MY2005 and
Many captains seats with a
TA on the seat bottom
Page 1 of 1

Must fold seat forward to
attach TA

Above: With the seatback in the upright position the tether cannot be attached to the TA.

Left: When the seatback is folded forward the tether can be attached to the TA.

Right: After the tether is attached to the TA the seat can be returned to the upright position and the car seat can be installed.
