Page 1 of 1**

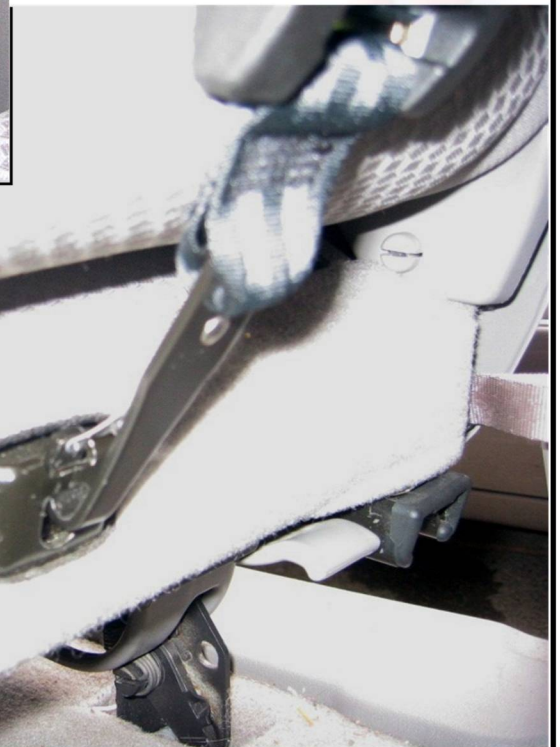

**Must fold seat forward to  
attach TA**

Note: Pontiac Montana, MY2005 is shown  
but Chevrolet Venture is very similar.

**Above:** With the seatback in the upright position the tether cannot be attached to the TA.

**Left:** When the seatback is folded forward the tether can be attached to the TA.

**Right:** After the tether is attached to the TA the seat can be returned to the upright position and the car seat can be installed.
