

## Tesla Model S,

Page 1 of 1

**Must fold back of 3rd row seat down  
to see/access 2nd row TA**

**Right:** The back of the 2nd row seat and the 3rd row seat are shown. The 3rd row seat is a child only seat that faces the rear of the vehicle and has a 5-point harness. The 2nd row TA is on the back of the seat, inside a slit. The tether strap is shown in the red circle. If the CR has a tether with a large adjuster the 3rd row seat cannot be locked into the upright position while using the tether.
